Instructions for 2017 IA 100B – Iowa Capital Gain Deduction for Sales of Real Property Used in a Farm Business

The Iowa capital gain deduction is subject to review by the Iowa Department of Revenue. The Department will use this form to verify that the taxpayer(s) qualifies for the deduction. The Department may request additional information if needed.

This completed form must be included with the IA 1040 to support the Iowa capital gain deduction claimed for sales of real property used in a farm business. Complete a separate IA 100B for each sale of farmland. Complete the entire form each year of a qualifying installment sale, including all parts.

For taxpayers filing separately on the same return, each spouse must complete an IA 100B for the Iowa capital gain deduction claimed based on the spouse's ownership percentage in the property.

Flowcharts to assist in determining if a gain qualifies are also available in the expanded instructions online. For more information on the Iowa capital gain deduction, see the instructions below and 701 IAC 40.38.

Part I: Sale of Real Property Used in a Farm Business

Line 1. Enter the address of the farmland, or enter the legal description of the farmland if no address is available.

Line 2. Enter the total number of acres of farmland sold.

Line 3. Enter the acquisition date and sale date for the farmland, as indicated in supporting documentation.

Line 4. Enter the length of the holding period in years and months.

Line 5. If the ownership period indicated in Part I, line 3 is less than ten years, explain why the ownership period differs from the holding period entered in Part I, line 4. The farmland must be held, as defined using IRC section 1223, for at least ten years to qualify for the Iowa capital gain deduction. For example, the farmland sold may have been acquired in a like-kind exchange or an involuntary conversion, and the holding period of the

farmland sold plus the previously-held property may be at least ten years.

Line 14. Complete the table for each of the ten years prior to the sale. However, the taxpayer may instead elect to complete the table for each of the eight years prior to the date entered in Part I, line 7, 9, 11, or 13.

Example 1: The taxpayer sold farmland on an installment basis on February 1, 2017. The taxpayer must complete the table for years 2007 to 2016, unless the taxpayer checked "Yes" on Part I, line 6, 8, or 10.

Example 2: The taxpayer checked Yes on Part I, line 6 and began receiving Old-Age (retirement) benefits under Social Security on February 8, 2014. The taxpayer may elect to complete the table for years 2006 to 2013 even if the taxpayer sold the farmland in 2017.

Calendar year: Enter one calendar year on each line.

Name of land manager: Enter the name(s) of the person(s) who managed the land in the year. Enter "Self" if the taxpayer managed the land.

Paid? Enter "Yes" or "No" to indicate whether the reported land manager received any compensation for managing the land in the year. If there were multiple land managers only enter "Yes" if any person other than the taxpayer was compensated.

Federal form or schedule where taxpayer reported income: Other than the Federal 1040, enter the specific federal form or schedule number or letter on which the taxpayer reported income from the land in the respective calendar year. Income from farmland is typically reported on federal Schedule E, Schedule F, or Form 4835.

Acres the taxpayer personally farmed: Enter the number of acres of the farmland sold that the taxpayer personally farmed in the respective calendar year. If the taxpayer was married during the calendar year, include the acres of the farmland sold that were personally farmed by either spouse.

Cash rent acres: Enter the number of acres of the farmland sold that the taxpayer leased for cash rent in the respective calendar year. If the taxpayer was married during the calendar year, include the acres of the farmland sold that were leased for cash rent by either spouse.

Crop share acres: Enter the number of acres of the farmland sold that the taxpayer had under a crop share lease arrangement in the respective calendar year. If the taxpayer was married during the calendar year, include the acres of the farmland sold that were under a crop share lease agreement by either spouse.

CRP acres: Enter the number of acres of the farmland sold that the taxpayer had enrolled in the Conservation Reserve Program (CRP) in the respective calendar year. If the taxpayer was married during the calendar year, include the acres of the farmland enrolled in CRP by either spouse.

Other acres: Enter the number of acres of the farmland sold that the taxpayer used for other purposes in the respective calendar year, such as non-tillable acres. If the taxpayer was married during the calendar year, include the acres of the farmland sold that were used for other purposes by either spouse.

Note: The sum of the acres the taxpayer personally farmed, the cash rent acres, the crop share acres, the CRP acres, and the other acres must equal the total number of acres sold as entered in Part I, line 2.

Line 15. Enter the taxpayer's daily, weekly, monthly, and yearly farming activities on the farmland sold during the period identified in Part I, line 14. Describe the activities in detail, and include the year(s) the taxpayer performed the activities. Do not include activities performed by any person other than the taxpayer, such as tenants and farm hands. The taxpayer's activities must be supported by records. Records prepared long after the activity generally are not acceptable.

Part II: Details of Property Sold

Line 1. Check the box to indicate whether the taxpayer's capital gain resulted from the sale of property by a C corporation. The sale of assets by a C corporation does not qualify for the Iowa capital gain deduction. Note: The gain from a

corporate liquidation under Internal Revenue Code (IRC) section 331 may qualify for the Iowa capital gain deduction. If the gain is realized under IRC section 331, check "No" and continue to Part II, line 2.

Line 2. If married filing jointly and both spouses are the only owners, check yes. If married filing separately and both spouses are owners, check no; each spouse must complete an IA100B and indicate on line 3 the separate ownership percentage of that spouse.

Line 3. Enter the taxpayer's ownership percentage of the property sold at the time of the sale to three decimal places (for example: 50.0%; 33.3%). If not the sole owner, the taxpayer's ownership percentage must be less than 100% and greater than 0%.

Line 4. Enter the names of all persons and entities that owned the property at the time of sale. If the capital gain flowed through to the taxpayer from a partnership, S corporation, limited liability company (LLC), estate, or trust, all owners of the entity must be reported.

Line 5. Check all boxes that indicate how the taxpayer acquired the property. If "Other", explain how the taxpayer acquired the property.

Line 6. Enter the names of all persons and entities that purchased the property.

Line 7. Check the box to indicate whether the capital gain comes from an installment sale. If "Yes," enter the date of the first installment, the expected date of the final installment, the total capital gain generated by the sale, and the capital gain the taxpayer received during tax year 2017. Do not include any interest received.

Line 8. Enter the amount of the taxpayer's capital gain deduction claimed. The eligibility of the Iowa capital gain deduction reported here is subject to further examination by the Department.
