

## 2018 IA 148 Tax Credits Schedule Instructions

Include the IA 148 Tax Credits Schedule with the tax return on which tax credits are being claimed. This schedule is used to claim tax credits against individual income tax, fiduciary income tax, corporation income tax, franchise tax, moneys and credits tax, and insurance premium tax liabilities. Each tax credit should be entered on a separate line. Also, a separate line should be used for each unique tax credit certificate number.

### Part I—Nonrefundable Tax Credits

\*Do not claim school or college expenses paid for you or your dependents or a contribution to a College Savings Iowa or Iowa Advisor 529 Education Savings Plan as a School Tuition Organization Tax Credit. You may be able to claim K-12 school expenses using the Tuition and Textbook Tax Credit on line 44 of the IA 1040. You may be able to deduct College Savings Iowa or Iowa Advisor 529 Education Savings Plan contributions or tuition and fees as other adjustments on line 24 of the IA 1040. To determine eligibility, see the online expanded instructions at (<https://tax.iowa.gov/expanded-instructions-view>).

**Column B: Certificate Number** – You must enter the tax credit certificate number received from the agency or organization that awarded the tax credit except claims for the following:

- 04 Franchise Tax Credit
- 09 Iowa Alternative Minimum Tax Credit
- 11 S Corporation Apportionment Tax Credit
- 20 Charitable Conservation Contribution Tax Credit
- 23 Geothermal Heat Pump Tax Credit
- 28 Geothermal Tax Credit

**Column C: Amount Carried Forward from Prior Year** - Enter any amount carried forward from tax year 2017 for each of the tax credits being claimed, separating tax credits by certificate number.

**Column D: Current Year Amount** - Enter the total amount of tax credit you earned directly, were awarded this tax year, or received from a pass-through entity during tax year 2018 (see definition of pass-through entity in instructions for Part IV). Part IV must be completed if a tax credit is received from a pass-through entity.

**Column F: Current Year Amount Applied** - Enter the amount of each tax credit being applied to the current tax year. The sum of column F may not exceed total tax liability. For individual income tax, if available tax credits exceed total tax liability and multiple tax credits are claimed, they are to be claimed in the order provided in Iowa Administrative Rule 701-42.44 (<https://www.legis.iowa.gov/law/administrativeRules>). You may also follow the order in that rule for claims against the fiduciary income tax. For corporation income tax, if available tax credits exceed total tax liability and multiple tax credits are claimed, they are to be made in the order provided in Iowa Administrative Rule 701-52.12 (<https://www.legis.iowa.gov/law/administrativeRules>). You may also follow the order in that rule for claims against franchise tax, moneys and credits tax, and insurance premiums tax.

**Column G: Expired Amount** - Enter the amount of any tax credit that has expired. The remaining tax credit expires if the entire tax credit is not claimed by the end of the carryforward period. Table 1 located on the last page of these instructions provides the allowable carryforward period for all nonrefundable tax credits. The carryforward period listed in the table begins the year after the first tax year in which the tax credit can be claimed. Tax credits awarded or earned in the year listed under the third column must be applied against tax liability on this return. Any remaining balance cannot be carried forward to the next tax year and must be included under Column G as an expired amount. If NA appears, no amounts of that tax credit expired in tax year 2018.

**Part II—Refundable Tax Credits**

**Column I: Tax Credit Code** - Enter the tax credit code from the table below for the tax credit claimed on each line.

51 Assistive Device Tax Credit

- 52 Biodiesel Blended Fuel Tax Credit (include form IA 8864)
- 53 Claim of Right Tax Credit
- 55 E85 Gasoline Promotion Tax Credit (include form IA 135)
- 56 Historic Preservation and Cultural and Entertainment District Tax Credit
- 58 Research Activities Credit (include form IA 128 or form IA 128S)
- 59 Supplemental Research Activities Credit (include form IA 128 or form IA 128S)
- 62 Corporation Tax Credit for Third Party Sales Tax – See \*\* for instructions
- 64 Ethanol Promotion Tax Credit (include form IA 137)
- 65 E15 Plus Gasoline Promotion Tax Credit (include form IA 138)
- 66 Adoption Tax Credit (include form IA 177 for each qualifying adoption; report each tax credit on a separate line)
- 67 Refundable Redevelopment Tax Credit (only available if specified by Iowa Economic Development Authority)
- 68 Venture Capital - Qualifying Business Tax Credit (only for awards made after July 1, 2016 and claimed by individual income taxpayers)
- 69 Renewable Chemical Production Tax Credit

\*\*The Corporation Tax Credit for Third Party Sales Tax is initially awarded by the Iowa Economic Development Authority. You must submit an application to the Department of Revenue reporting eligible sales tax paid by a third party within one year of construction project completion. The Department will issue a tax credit certificate and you can then claim the amount included on the certificate on your corporation return. The application and instructions can be found under sales and use tax forms at the Department website (<https://tax.iowa.gov>).

**Column J: Certificate Number** - You must enter the tax credit certificate number received from the agency or organization that awarded

the tax credit except claims for the following:

- 52 Biodiesel Blended Fuel Tax Credit
- 53 Claim of Right Tax Credit
- 55 E85 Gasoline Promotion Tax Credit
- 58 Research Activities Credit
- 64 Ethanol Promotion Tax Credit
- 65 E15 Plus Gasoline Promotion Tax Credit
- 66 Adoption Tax Credit

**Column K: Current Year Amount** - Enter the total amount of tax credit you earned directly, were awarded this tax year, or received from a pass-through entity (see definition of pass-through entity in instructions for Part IV) during the current tax year. Part IV must be completed if a tax credit is received from a pass-through entity. A refundable tax credit must be claimed in full the tax year it is earned or the tax year authorized on the tax credit certificate.

**Part IV—Pass-Through Entity Information from Schedule K-1**

Businesses that are organized as pass-through entities (partnerships, limited liability companies, S corporations, estates, and trusts) earn tax credits at the entity level, but the tax credits are claimed by individuals and businesses that are members of the ownership group. Pass-through entities report these tax credits on the Schedule K-1 provided to each member. For each line in Part I or Part II with a tax credit received from a pass-through entity, complete a corresponding line in Part IV to indicate the entity that was awarded or earned the credits.

**Column L: Line Number** - Enter the line number from Part I or Part II that includes tax credits received from a pass-through entity. This includes any carryforward (column C) claimed from tax credits received in prior years from a pass-through entity.

**Column M: Pass-Through Entity Name** - Enter the name of the pass-through entity from which tax credits were received.

**Column N: Pass-Through Entity FEIN** - Enter the Federal Employer Identification Number (FEIN) of the pass-through entity from which tax credits were received. This FEIN should be the same number provided to the awarding agency or organization. It also should be the same FEIN

used to complete any required information returns (such as form IA 1065 and Schedule K-1 for partnerships).

**Column O: Taxpayer's Share of Tax Credit from Pass-Through Entity** - Enter the share of tax credits earned by or awarded to the pass-through entity that you are eligible to claim. Enter the share as a percentage rounded to six decimal places. Example: For fifty percent owner, use 50.0000%.

**Eligible Tax Credit Claims by Tax Type**

The list of tax credits included in the instructions for column A and column I include tax credits for all types of taxpayers. The following provides information about what tax credits can be claimed by the various tax types.

**Related to Individual Income and Fiduciary Tax:**

Individuals using filing status 3 (married filing separately on a combined return) must complete a separate form IA 148 for each spouse with tax credits to claim.
