

Iowa Code sections 427B.20-22 and Iowa Administrative Code rule 701—110.10

Only a small business (with gross receipts of less than five hundred thousand dollars per year) that owns or operates an underground storage tank and takes remedial action qualifies for this credit. The small business owner is required to file an application for credit with the respective city council or county board of supervisors on or before September 30 of the year following the calendar year in which cleanup costs were paid, and each succeeding year the credit is applicable. Contact information for the chairperson of your county board of supervisors can be found at iowacounties.org.
