Purpose of this form

This form is used by a representative who has the authority to act on behalf of a taxpayer due to their status as a legal guardian, conservator, receiver, executor, trustee, parent/guardian, government representative, officer/director, or as a holder of a non-IA 2848 general or durable power of attorney. This form allows such a representative to notify the Department of its pre-existing authority to act for the taxpayer.

Representatives named under an IA 2848 Iowa Department of Revenue Power of Attorney form may not use this form to certify their authority. Only representatives named under a non-IA 2848 power of attorney may certify their authority using this form.

Once a representative has successfully notified the Department of their authority using this form, the representative can receive information about the taxpayer and act for the taxpayer. This includes the ability of the representative to sign an IA 2848 appointing additional representatives as powers of attorney.

An entity is a corporation, limited liability company, partnership, or other legal entity. An individual is a natural human being. An entity may not be appointed as a representative via this form. To appoint an entity as an authorized representative, use the Third Party Authorized Entity Representative Form (14-110).

A taxpayer (not a representative) who wishes to grant a representative the authority to act on the taxpayer's behalf should use the IA 2848 Iowa Department of Revenue Power of Attorney form.

Older versions of this form may not be accepted.

Note: Only persons authorized under Iowa Admin. Code r. 701—8.8 are permitted to represent the taxpayer(s) in any formal proceeding, such as a contested case hearing. Only attorneys authorized to practice in a judicial forum that has jurisdiction over a matter involving a taxpayer may represent that taxpayer in those forums.

Confidential Tax Information

Taxpayer information is confidential. Unless otherwise authorized by law, the Iowa Department of Revenue will discuss confidential tax information only with the taxpayer or a representative

authorized by the taxpayer on this form. If you wish to authorize the Department to discuss your confidential tax information with another person, but do not wish to authorize that person to act on your behalf, use form IA 8821 Tax Information Disclosure Designation.
