

IOWA INDIVIDUAL INCOME TAX SCHOOL DISTRICT REPORT TAX YEAR 2002

This report is issued each year displaying the income and tax paid by residents of each school district in the state. In addition, this document contains a listing of school districts utilizing the income surtax and the rates at which the surtax is employed. Districts and rates are presented for tax years 2003 and 2002.

School districts are listed under the county in which the administration offices are located. In analyzing the data in this report, there are two considerations that need to be taken into account.

1. Nonresident Taxation - Iowa tax law requires that nonresidents and part-year residents report income earned both in and outside of Iowa, even though these individuals are taxed only upon their income from Iowa sources. While most of the non-Iowa income is reported in the nonresident portion of this report, some of it is reported in each school district by taxpayers who moved into those school districts during 2002 but also had income from outside the state. Thus, while the tax for each district is correct, the income for the district may be somewhat overstated.
2. 2002 Tax Law Revisions - Revisions affecting the 2002 tax return include such changes as indexation of the standard deduction and taxable income brackets, as well as other changes. Further information about these and other changes affecting the 2002 Iowa tax law may be obtained by contacting the Department of Revenue at (515) 281-6695.

GLOSSARY OF TERMS

Number of Returns - Total number of returns filed. Married persons filing separately on a combined return are counted as two returns.

Adjusted Gross Income - Total income reported on line 26 of the 2002 Iowa 1040 return or line 4 of 1040A.

Net Taxable Income - Income subject to tax after adjustment for federal tax payments and itemized or standard deduction.

Personal & Dependent Credits - The number of credits claimed from step 3 of the 2002 IA 1040 or 1040A. One personal credit is allowed for the taxpayer, plus one for spouse on joint returns. Also, for persons who are 65 or over, unmarried heads of household, or blind, one extra personal credit may be claimed for each such condition. For example, a taxpayer who is blind and over 65 receives 3 personal credits. One dependent credit is allowed for each dependent in the household.

Computed Tax - The amount of Iowa individual income tax owed by residents of the district for the year in question.

Out-of-State Credits - The amount of tax paid by Iowans to other states for which a credit may be received.

NOTE: If the tax liability for a school district is being used to approximate the amount of school district surtax which could be collected, the computed tax and out-of-state credit fields must be added together to arrive at the tax base from which the surtax is calculated.

(a) Residents of Appanoose County must add a 1% local option surtax for emergency medical services to the rates that are listed.

(b) For 2003, George and Little Rock became George-Little Rock. In 2002, George imposed a surtax at a rate of 14% while Little Rock imposed a surtax at 5%.
