

IOWA INDIVIDUAL INCOME TAX SCHOOL DISTRICT REPORT TAX YEAR 2008

This report is issued each year displaying the income and tax paid by residents of each school district in the state. In addition, this document contains a listing of school districts utilizing the income surtax and the rates at which the surtax is employed for tax years 2009 and 2008.

School districts are listed under the county in which the administration offices are located. In analyzing the data in this report, there are several considerations that need to be taken into account.

1. **Estimation of surtax** – The surtax base is the statutory amount (Iowa Code chapter 257.21) to which a surtax rate may be applied to estimate the amount of surtax that could be collected by a school district. The surtax base is equal to line 54 of the 2008 IA 1040. The surtax base is not the same as the tax liability reported in the Department of Revenue’s Individual Income Tax Annual Statistical Report. The tax in that report is equal to line 59 of the 2008 IA 1040 less refundable credits and checkoff contributions.

2. **Nonresident Taxation** - Iowa tax law requires that nonresidents and part-year residents report income earned both in and outside of Iowa, even though these individuals are taxed only upon their income from Iowa sources. While most of the non-Iowa income is reported in the nonresident portion of this report, some of it is reported in each school district by taxpayers who moved into those school districts during 2008 but also had income from outside the state. Thus, while the tax for each district is correct, the income for the district may be somewhat overstated.

3. **2008 Tax Law Revisions** - Revisions affecting the 2008 tax return include such changes as indexation of the standard deduction and taxable income brackets, as well as other changes. Further information about these and other changes affecting the 2008 Iowa tax law may be obtained by contacting the Department of Revenue at (515) 281-5771.

GLOSSARY OF TERMS

Number of Returns - Total number of returns filed. Married persons filing separately on a combined return are counted as two returns.

Adjusted Gross Income - Total income reported on line 26 of the 2008 Iowa 1040 return or line 4 of the Iowa 1040A.

Net Taxable Income - Income subject to tax after adjustment for federal tax payments and itemized or standard deduction.

Personal & Dependent Credits - The number of credits claimed from step 3 of the 2008 IA 1040 or 1040A. One personal credit is allowed for the taxpayer, plus one for spouse on joint returns. Also, for persons who are 65 or over, unmarried heads of household, or blind, one extra personal credit may be claimed for each such condition. For example, a taxpayer who is blind and over 65 receives 3 personal credits. One dependent credit is allowed for each dependent in the household.

Surtax Base – The tax base that should be used in estimating the amount of surtax that could be collected in a school district.
