IOWA INDIVIDUAL INCOME TAX SCHOOL DISTRICT REPORT TAX YEAR 2010

This annual report contains the income and tax paid by residents of each school district in the state during 2010. In addition, this document lists school districts imposing the income surtax and the rates applied for tax years 2010 and 2011.

School districts are listed under the county in which the administration offices are located. In analyzing the data in this report, there are several considerations that need to be taken into account.

1. **Estimation of Surtax** – The surtax base is the statutory amount (Iowa Code Chapter 257.21) to which a surtax rate may be applied to estimate the amount of surtax that could be collected by a school district. The surtax base is equal to line 54 of the 2010 IA 1040 or line 11 of the 2010 IA 1040A. The surtax base is not the same as the tax liability reported in the Individual Income Tax Annual Statistical Report. The tax in that report is equal to line 59 of the 2010 IA 1040 less refundable credits and checkoff contributions.

2. **Nonresident Taxation** - Iowa tax law requires that nonresidents and part-year residents report income from Iowa and non-Iowa sources, even though only income from Iowa sources is taxed. While most of the non-Iowa income is reported in the nonresident portion of this report, some of it is included in the income measures in the case of taxpayers who moved into a school district during 2010 but also had income from outside the state. Thus, while the surtax base for each district is correct, the income for the district may be somewhat overstated.

3. **2010 Tax Law Revisions** - Revisions affecting the 2010 tax return include such changes as indexation of the standard deduction and taxable income brackets and continued phase-out of the taxation of Social Security benefits. Further information about these and other changes may be obtained by contacting the Department of Revenue at (515) 281-5771.

GLOSSARY OF TERMS

Adjusted Gross Income - Income reported on line 26 of the 2010 IA 1040 return or line 4 of the 2010 IA 1040A.

Net Taxable Income - Income subject to tax after adjustment for net federal tax payments and itemized or standard deductions.

Number of Returns - Total number of returns filed; married persons filing separately on a combined return are counted as two returns.

Personal and Dependent Credits - The number of credits claimed in step 3 of the 2010 IA 1040 or 1040A. One personal credit is allowed for the taxpayer, plus one for a spouse on joint returns. One additional personal credit may be claimed by unmarried heads of households, as well as by taxpayers who are age 65 or older or blind. For example, a taxpayer who is blind and age 65 receives three personal credits. One dependent credit is allowed for each qualified dependent in the household.

Surtax Base – The tax base that should be used to estimate the amount of surtax that could be collected in a school district.
