Department Mission, Vision, Goals, and Values

MISSION

The mission of the Iowa Department of Revenue is to serve Iowans and support state government by collecting all taxes required by law, but no more.

VISION

Iowa will be a state where it is easy to understand and comply with tax obligations for all Iowa tax filers.

GOALS

The Iowa Department of Revenue has adopted the following goals:

- Provide clear and accurate information
- Deliver customer-focused tax administration

VALUES

The Iowa Department of Revenue has adopted the following values:

- Integrity First
- Dedicated to teamwork
- Ready to serve

Department Core Functions

The core functions of the Iowa Department of Revenue consist of the following:

REVENUE COMPLIANCE AND COLLECTION

The Department administers the operations of tax processing and collections by providing education and service so taxpayers can comply with tax filing and payment obligations, as well as perform appropriate procedures to collect unpaid liabilities. It is in compliance with Iowa's tax laws that the Department conducts its taxpayer examination and audit programs and resolves disputed tax issues.

LOCAL GOVERNMENT ASSISTANCE

The Department provides support to local governments by administering just and uniform property assessments across the state. This function also administers programs for property tax relief, including administration of the business property tax credit, local option taxes, school infrastructure taxes, and sales tax increment programs.

RESEARCH, ANALYSIS, AND INFORMATION MANAGEMENT

The Department performs tax policy analysis, fiscal impact estimation, statistical research, and economic analysis to help stakeholders understand the impact of lowa tax laws, and make informed decisions.

Notes: Gross deposits do reflect any transfers or adjustments for returned checks. Deposits and refunds are presented on a cash basis. All cash receipts are deposited to the Multi-Tax Suspense account until the receipts can be allocated to the correct revenue source. (1) Gross deposits include approximately \$613.1 million in LOST and Hotel/Motel tax collections. (2) FY19 is the first year the Water Service Excise Tax is being collected. (3) FY23 is the first year for Composite Tax as a stand-alone tax. It was previous included with Individual Income tax. (4) Gross deposits include a 5% tax on car rentals and a \$5.00 registration fee collected by County Recorders for snowmobiles, ATVs, and boat registrations. (5) Refunds under Miscellaneous Taxes consist mainly of reissued warrants. These warrants can be issued for any tax type and could include refunds from any time within the last five years. They are cancelled in the refund accounts for the original tax type before being issued under Miscellaneous. Therefore, total Miscellaneous refunds for a fiscal year often exceed Miscellaneous Taxes receipts.

Historic Gross Deposits

Gross deposits increased 1.31 percent in fiscal year 2023, up from the 7.57 percent increase seen in fiscal year 2022.

Collections

There are two self-funding programs within the Department. First, the Department's Tax Gap program examines and audits tax returns and determines fraudulent and erroneous refund requests. The program identifies non-filers to put them in compliance with their tax liabilities and strives to identify and collect all taxes owed to the state and prevent the payment of erroneous refunds. Second, the Department's Central Collections Unit (CCU) collects delinquent tax debt and non-tax debt. The CCU provides collection services to the following State agencies: Department of Human Services (DHS) Child Support Recovery Unit, DHS Health & Wellness Premiums, DHS Medicaid Provider Overpayments, Department of Natural Resources, Iowa College Aid, Iowa Insurance Division, and Iowa Judicial Branch.

In fiscal year 2023, the Department's compliance and collections efforts resulted in \$281.3 million in revenues, slightly up from \$277.3 million in fiscal year 2022.

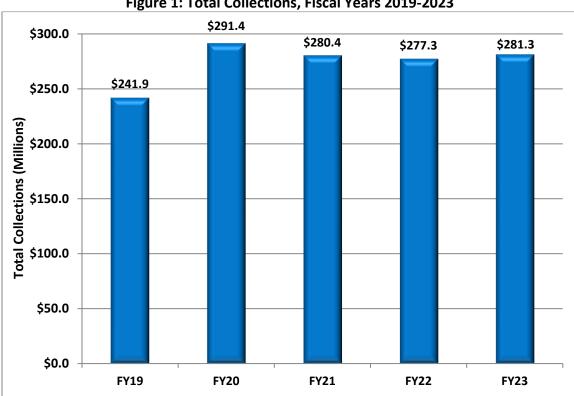

Figure 1: Total Collections, Fiscal Years 2019-2023

Note: Total Collections include tax payments resulting from billings, non-tax collections, and reductions in refunds resulting from return examination, with bad checks subtracted.

Electronic Filing – Business Taxes

The Department continues to expand and encourage electronic filing of tax returns and tax payments for business taxes, including withholding taxes remitted by employers on behalf of employees and sales taxes remitted by retailers on behalf of consumers.

In fiscal year 2023, 98 percent of withholding tax returns (over 605,000) and 94 percent of sales and use tax returns (over 1,095,000) were filed using the Department's GovConnectIowa system. These business filers paid over 96 percent of funds owed to the State electronically, resulting in lower administrative costs and faster deposits.

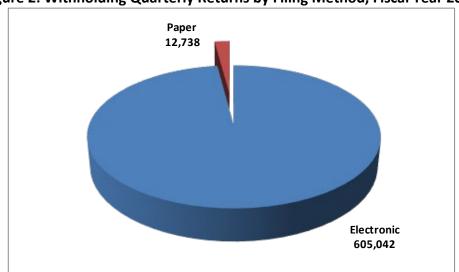

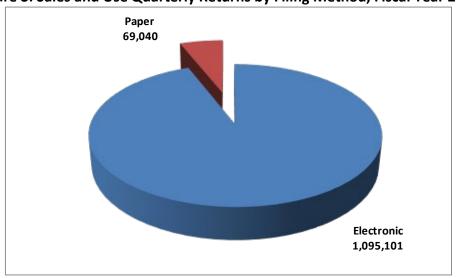

Figure 2: Withholding Quarterly Returns by Filing Method, Fiscal Year 2023

Note: In reports prior to FY18, sales tax annual filers were not included in this calculation of returns filed by filing method. The FY18 report included sales tax annual filers in this calculation. For FY23, the number of annual returns is 110,311.

Electronic Filing – Income Taxes

The Department encourages individuals, corporations, estates and trusts, and entities obligated to file informational returns to file those returns electronically.

The income tax type with the largest number of returns processed each year is individual income tax. The share of individual income tax returns filed electronically fell to 0.45 percent (1.560 million returns) in calendar year 2023 for tax year 2022 returns.

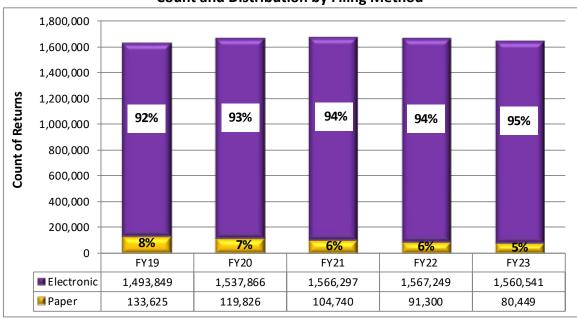

Figure 4: Individual Income Tax Returns
Count and Distribution by Filing Method

Note: Includes only current tax year returns filed from January through October of the noted processing year.

In the last three fiscal years, over 50 percent of the corporations filing returns have made use of the electronic filing method. Electronic filing for pass-through entities (i.e. partnerships, limited liability companies, and S corporations) continues to increase each year. In 2015, the Department added fiduciary tax, filed by estates and trusts, as an eligible tax type for electronic filing. In calendar year 2023, 22,554 fiduciary returns were filed electronically.

Taxpayer Services

lowa taxpayers seek answers to their questions about taxes. Taxpayer service specialists are available by telephone, email, and in person. The Department is working to enhance the availability and quality of online resources to provide taxpayers access to information when convenient to them. As part of the Department's customer service and modernization goals, taxpayer education videos are available on the website to enhance self-service information. A total of 29,419 people viewed 43 general tax information videos. The Department delivered 9 business tax webinars in partnership with the Center of Business Growth and Innovation at the University of Northern Iowa and IASourceLink, which had 4,401 participants.

In addition, a total of 1,695 people followed the Iowa Revenue Twitter account. The Department sent a total of 2 tweets which were received and shared with 2,292 people. In fiscal year 2023, 8 posts were made and were viewed by 2,147 people. The Department reached out to taxpayers through a series of GovDelivery communications covering a wide variety of tax topics.

LOCAL GOVERNMENT ASSISTANCE

Property Tax

The Department provides assistance to local governments throughout Iowa by administering fair and equitable assessments and programs for property tax relief. The Local Government Services Division:

- Administers credits and exemptions for property owners
- Trains, educates, and certifies the assessment community
- Equalizes assessed property values through ratio studies and model analysis processed every second year
- Provides for central assessments of utilities, telecommunication companies, pipelines, and railroads
- Provides replacement tax calculations for gas and electrical companies annually
- Calculates statewide property tax
- Annually determines statewide agricultural productivity values
- Provides information pertaining to assessed valuations to other governmental agencies
- Collaborates with county-level government to implement technology solutions
- Responds to taxpayer inquiries by reviewing assessment practices for statutory compliance
- Collaborates with key stakeholders to make recommendations on statewide property tax issues
- Distributes SAVE, LOST, and Hotel/Motel tax payments and property tax relief funds to school districts and local jurisdictions
- Distributes funds under the Flood Mitigation, LOST tax increment financing, Reinvestment Districts programs, and Replacement Claims programs
- Calculates Business Property Tax Credit

LOCAL GOVERNMENT ASSISTANCE

Property Tax Relief and Local Option Taxes

The Department administers numerous property tax credits that supplement revenues collected by local governments. The Department also collects and distributes local option taxes to local governments and school districts.

PROPERTY ASSESSMENT APPEAL BOARD

The State of Iowa Property Assessment Appeal Board (PAAB) is a State board created for the purpose of establishing a consistent, fair, and equitable property assessment appeal process. PAAB conducts administrative hearings with the statutory authority to review any final decision, finding, ruling, determination, or order of a local board of review relating to protests of an assessment, valuation, or application of an equalization order. The number of appeals received is typically higher in odd calendar years due to the property tax reassessment cycle.

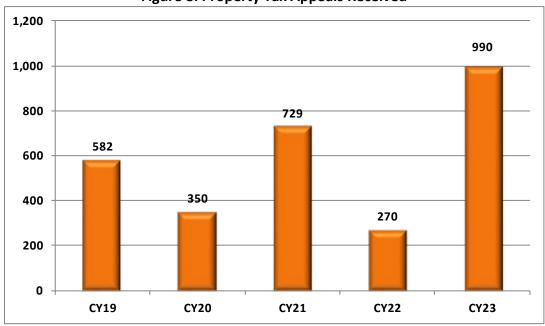

Figure 8: Property Tax Appeals Received

Note: Beginning in 2016, PAAB changed its method for docketing appeals to consolidate appeals of multiple associated parcels into one docket number. The result is that the number of PAAB cases would facially appear to have declined, although the number of parcels appealed may stay relatively similar. For a more detailed Report of PAAB's appeals, please visit: https://paab.iowa.gov/about-us

PAAB consists of three members appointed to staggered six-year terms by the Governor and subject to confirmation by the Senate. The Governor appoints one of the members as chairperson to a two-year term, subject to confirmation by the Senate. Two members of the board shall be certified real property appraisers and one member shall be an attorney practicing in the area of state and local taxation or property tax appraisals.
