Definitions

Delivery Seller - A person who makes delivery sales.

Delivery Sale - Any sale of cigarettes or smokeless tobacco to a consumer if –

- the consumer orders by telephone or other method of voice transmission, the mail, or the Internet or other online service, or the seller is otherwise not in the physical presence of the buyer when the request for purchase or order is made; or
- the cigarettes or smokeless tobacco products are delivered to the buyer by common carrier, private delivery service, or other method of delivery, or
- the seller is not in the physical presence of the buyer when the buyer obtains possession of the cigarettes or smokeless tobacco.

Schedule Details

Schedule Code – There are two types of schedules that show movement of product.

Schedule of Receipts provides detail to support all cigarettes received. Each receipt of product should be listed on a separate line. Refer to the electronic filing Table of Codes.

Schedule of Disbursements provides detail to support all cigarettes disbursed. Each disbursement of product should be listed on a separate line. Refer to the electronic filing Table of Codes.

Document Date – Enter the date as provided on the vendor / customer invoice or other document. When multiple dates are listed on the invoice, the document date is the date the product is picked up by the carrier for delivery.

Document Type – Enter the appropriate code for the type of document. Refer to the electronic filing Table of Codes.

Document Number – Enter the invoice or other document number as provided.

Type of Customer – Enter the appropriate code for the type of customer. Refer to the electronic filing Table of Codes.

Name – Enter the name of the entity purchased from or sold to, depending on the type of transaction being reported. Report the entity as invoiced. Invoices are to show the name(s) and address(es) of permittees as permitted or licensed (legal name, “doing business as” name (DBA) and street address).
