

## Two Tier Assessment Limitation:

- Invalid county code in the file
- Multiple county codes in the file
- Negative claim amounts in the file
- Multiple assessment years in the file
- Assessment year must be equal to the year of the filing period end date (E.g., Filing Period 12/31/2023 should have assessment year 2023 in the file)
- All fields should have a value. Zero is valid but null is not.
- No \$ or commas in the claim amount
- No special characters except for decimal allowed
- DOM tax district needs to be six digits
- All digits must be numeric

## Ag Land and Family Farm:

- Invalid county code in the file
- Multiple county codes in the file
- Negative claim amounts in the file
- Multiple assessment years in the file
- Assessment year must be equal to the year of the filing period end date (E.g., Filing Period 12/31/2023 should have assessment year 2023 in the file)
- File is not the same as another file within the same program (duplicates)
- Credit Type: Agland or Agland Credit, Familyfarm or Family farm Credit
